Children may be collected at any time during the afternoon within the hours you have requested. Please note that aftercare closes promptly at 5.30 p.m. and any children collected after this time will be charged an extra late payment fee – R50.00 per occasion.

We require a record of all persons who will be collecting your child and if for any reason another person, not listed above, has to collect; we will require you to write a message in the child's message book or telephone Aftercare on the cellphone numbers below.

Any changes in your child's extramural activities must be communicated to the Aftercare staff in writing.

Please ensure that any play dates are organized the day before and a message sent indicating with whom your child will be going home.

Due to the confined space available for Aftercare, there is a set number of aftercare places available. Applications are therefore treated on a first in basis.

A term's notice, in writing, is required when withdrawing your child from Aftercare.
